"Definitely food for thought"

[Children in Difficulty - Understanding & Helping Children with Trauma & Attachment Problems  
25<sup>th</sup> February 2016, Glasgow](#)

"Really enjoyed the tutor's style of presentation - he was knowledgeable and gave practical advice in an interesting way."

"Excellent course, very informative, delivered in a way that can be applied to young people I work with."

"Very useful information, well delivered. Gain a much better understanding of Trauma & Attachment and came away with practical ideas that will impact on my practice."

"An excellent course. The tutor was friendly, approachable, easy to understand and great to have ideas for implementation."

MEDICA CPD

"Good course and very informative. I can definitely see I can go back to my workplace with a great knowledge in this subject."

#### **Adolescent Substance Abuse Conference, 8th December 2015**

"Great speakers and topics for the conference, very interesting and really useful for my work with children in this area"

"Fantastic Conference which lived up to my expectations! Informative and great take home messages!"

#### **Autism 2015 Conference, 24th November 2015**

"Extremely informative day with lots of real life examples, gave a good grounding in very complex area"

"The conference has fully met my expectations, thoroughly enjoyed all the speakers and it has definitely built upon my knowledge as a practitioner and look forward to passing on my notes and knowledge to staff when I return home. I have attended Medica CPD conferences in the past and feel most if not all of these I would be keen to attend. Absolutely fantastic and so informative and it is an honour to be in the company of such experienced professionals – thank you"
