Sharks ‘n’ Snakes

Unique insights with Dr Alex Yellowlees, former Consultant Psychiatrist & Medical Director

ABOUT THE COURSE

We've all come across them, those difficult personalities who create all sorts of havoc in the workplace as well as elevating our stress levels!

Personality by personality we will help you develop strategies for managing challenging and difficult people. Types you will recognise such as the office 'sociopath', the 'exploder', the 'passive aggressive', the 'gossip', the "control freak", the 'blame shifter', the 'negative Annie' - or 'Arnold' we've got them all covered!

You'll gain insights and a better understanding of these challenging personalities through the eyes of one of the UK's leading psychiatrists Dr Alex Yellowlees.

THE COURSE WILL COVER

- How you can better understand challenging personality types in the workplace.
- Characteristics of the most common difficult personality types in the workplace.
- Winning strategies to effectively communicate, manage and bring the best out of them.
- Conflict resolution techniques.
- How best to reach out to workers and point them in the right direction of fulfillment.
- Take away messages for managing your own stress levels and building your resilience too!

HOW WILL THE COURSE BE TAUGHT

Fun, Interactive and Never a Dull Moment!

The course will be taught through a lively mix of presentation, discussion, and practical case studies where we can discuss examples and you can bring along some too!

WHO SHOULD ATTEND?

This course should be of interest to a broad range of professionals from private/public sectors, including commercial, education and health including:

- CEO's, managers, supervisors, team leaders.
- Workplace coaches.
- Human resources.
- Industrial relations officers.
- Work Health and Safety officers.
- Others who work with difficult personalities in the workplace
