Temple Talks Autism

Medica CPD is delighted to announce Dr Temple Grandin is coming to Glasgow for this exclusive one-day event. We anticipate it will be the largest autism event in Scotland in 2019 with up to 700 delegates attending from throughout Scotland, UK and the rest of Europe.

Temple will be joined by a few other speakers and the programme will be a mix of presentations, case studies and discussion sessions.

"Autism is a part of who I am"
- Dr Temple Grandin

About Dr Temple Grandin

Temple is the most accomplished and well-known adult with autism in the world and named as one of the 100 Most Influential People in the World by Time Magazine.

Today she is the face of autism, a renowned professor of animal science at Colorado State University, bestselling author and she speaks around the world on her pioneering work on animal welfare and on autism helping thousands of professionals and parents understand how to help individuals with ASD.

About the Event Organisers

Aboutus: Medica CPD are a leading provider of high quality continuing professional development (CPD) in health and well-being subjects. We have over 20 years' experience bringing the best speakers and programmes together and making sure our audience go away with the best learning experience and practice to be inspired to make a difference. Some of our recent autism events include "Tony Talks Autism", Glasgow 2017 and Manchester 2018, with world autism expert Dr Tony Attwood.
